

# Moisturisers

[Click here to return to the store](#)

Natroma's handmade, natural facial moisturisers contain a blend of flower waters, botanical oils and natural plant extracts. They're handmade with care, ensuring they are full of the finest natural ingredients which have proven skincare benefits. They'll feel light on the skin and sink in quickly to provide lasting skin hydration without any greasiness. Our moisturisers contain a Soil Association approved preservative, many skin kind organic, natural ingredients and are suitable for vegan customers.
