

Natroma Gift Sets

[Click here to return to the store](#)

Natroma handmade aromatherapy skincare items make the perfect gifts. Whether it be handmade goat's milk soaps, bathing products or natural skincare, they're sure to delight and are suitable for all skin types.

They are packaged in elegant fully recyclable boxes, with lots of crisp tissue paper with organza ribbon decorations. We'll also include information about Natroma so your gift recipient will have lots of information about our naturally active, handmade products.

We can also despatch gift sets straight to your gift recipient, and will include a special message from you at no extra charge. Simply give us their address, mention what you'd like to be printed onto a gift card, and leave the rest to us!

- Fizzing Butter Melts

A new range of luxurious fizzing butter melts, shaped like truffles and almost good enough to eat! These bathing beauties will gently fizz, releasing lots of moisturising cocoa and shea butters with decadent aromas from essential oils.
