

Cleanser - 30ml Travel Size

[Click here to return to the store](#)

Price From: £3.95

These are travel sizes of our hot cloth Facial Cleansers, presented in a 30ml airless pump.

A rich and creamy formulation to gently lift away skin impurities.

This cream cleanser is designed to be used with a hot muslin cloth, to gently remove skin impurities. Using the finger tips massage a small amount of cleanser onto the skin, then rinse a muslin cloth in hand-hot water and wring out so the cloth is warm and moist. Use the cloth to gently remove make-up and skin impurities - this will also lightly exfoliate the skin to leave it feeling refreshed and clean. Use morning and night and safe around the eyes.

30ml travel sized airless pump - more than enough for a 2 week holiday but in a space saving pump.

great travel size - perfect for holidays!
