

Concentrated Moisturiser - 30ml Travel Size

[Click here to return to the store](#)

Price From: £5.95

These are travel sizes of our Concentrated Moisturiser, presented in a 30ml airless pump.

Our concentrated moisturisers have been formulated to be light and easily applied, but are very concentrated to give lasting hydration. They contain hydrolat flower waters, Jojoba, Apricot Kernel and Ricebran oils, enriched with D-Panthenol, Squalane, Aloe Vera and botanical extracts.

30ml travel sized airless pump - more than enough for several weeks away but with the convenience of a space saving pump.

Reviews

Sorry but we don't have any reviews yet for this product.

Please refer to the main page for Concentrated Moisturisers for further details on the individual varieties.

Our normal combination variety contains a lovely blend of neroli, bergamot and petitgrain essential oils, for a delicate orange blossom aroma.

Our dry/sensitive variety contains a lovely blend of rose, sandalwood and geranium essential oils, for a delicate floral fragrance.
